Gluten Free Menu – June **2024**

Dear Customer,

Please find enclosed a copy of our gluten free menu; please speak to a member of our serving team if you have any questions or queries with any dishes and we will always endeavour to cater for your requirements. It is politely reminded to customers that our kitchen does contain products that contain the 14 main allergens (including gluten), we endeavour to not cross contaminate any of our products and we are constantly working with our suppliers to ensure that all information provided is up to date and current.

In addition to this menu we also adhere to the 14 allergens that have to be identified in all food and drink products sold on these premises.

If you are in any doubt please communicate any concerns or secondary allergens that may not be listed on the allergens list BEFORE you order your food/drink so that we can ensure that your food safety is protected.

Many thanks for your understanding in this matter

Management

N.B. We can clarify that our chipped potatoes are gluten free and are cooked in a specific separate fryer.
